Marcus Norwood,

Defendant.

**STIPULATION FOR MODIFICATION
OF DEFENDANT'S CONDITIONS OF RELEASE**

The United States of America and defendant, Marcus Norwood, hereby stipulate and agree to the following:

1. On July 1, 2020, he made his initial appearance on the Complaint and was released on bond. The Court ordered the defendant to participate in home detention and submit to active GPS monitoring as conditions of his bond. (ECF No. 9). The home detention was later modified, based on the stipulation of the parties, to continue active GPS monitoring with a curfew as directed by the Pretrial Services Office. (ECF No. 15).

2. The parties agree to a further modification of the defendant's bond conditions to remove location monitoring and the curfew. The Pretrial Services

Office reports that the defendant has been in compliance with his bond conditions and does not object to this modification. There are no other modifications to his bond conditions.

WHEREFORE, the parties request this Court to issue an order modifying the defendant's bond conditions to remove the location monitoring and curfew.
